

05000RN-FE Motor Oil 0W-20 Premium Synthetic RN-FE

Document version: Apr 29, 2024

Description

This fuel-saving 0W-20 mid-SAPS motor oil is specially developed for Renault and Dacia engines that require a RN17-FE specification and is suitable for engines where ACEA C5 is prescribed. This motor oil offers protection to the petrol particulate filter (GPF), diesel particulate filter (DPF) and selective catalytic reduction (SCR).

The RN17 FE specification has high requirements regarding oxidation (aging), ensures excellent cleanliness of the engine and pistons, has very good anti-wear properties.

Because this motor oil complies to Renault's high requirements, the formulation is ideally suited for extended service intervals and offers excellent engine protection under the most severe conditions.
