

AD01000 Complete Petrol System Cleaner

Document version: May 6, 2024

Description

MPM Complete Petrol System Cleaner cleans the entire fuel system including the fuel injectors, carburettors and valves.

Main benefits

- Cleans complete petrol system
- Improves engine performance
- Reduces exhaust emissions

Application

For all petrol engines with injectors or carburettors running leaded or unleaded fuel. Suitable for use with vehicles with aftertreatment systems.

Application manual

Pour entire content of the 250 ml bottle in the tank, preferable before refueling with petrol. Dose for 40 to 60 liters of fuel. The product can be used as a problem solver or preventative if used on a regular basis.
